

AMOS GARRETT

and the eh' team

"Amos is the most magical, mystical, musical guitar player in the whole world."

MARIA MULDAUR

"Amos is unique. His tone and approach are his alone."

DAVID WILCOX

"One of the most lyrical, original guitarists playing today. Perhaps the most extraordinary aspect of Amos' style is his unusual melodic conception. His single note solos and melodic figures are so distinctive that it is virtually impossible to mistake them for anyone else's."

GUITAR PLAYER MAGAZINE

"Amos' solo on "Midnight At The Oasis" is "the chorus of the year!"

CHET ATKINS

"...the second best instrumental solo in all rock and roll, period."

STEVIE WONDER
